

Parish Council Meeting  
Infant Jesus Parish  
September 28, 2012

Parish Census – where did we leave off?

- Contact list review
  - active members
  - inactive members (how do we reach out to them)
  - finalize official parish registration form

Ministries

- review list

Objective: define the ministries, promote membership and build parish community, continue the parish merge, and establish a communication link between the parish council and all of the ministries

Ministries

1. What ministries are active?
2. What are their mission statements/primary functions?
3. Do they seek/welcome new members?
4. Are groups split between the two churches?
5. If so, should we consider combining them?
6. Do they have a system of officers in place?
7. Who is the group's primary contact?
8. How do we open lines of communication between them?
9. Are we missing any ministries for certain age groups?

Possible ideas for the ministries:

- ministry fair
- tri-fold listing all of the ministries
- contact information for the website
- pass activity information among the parish
